

Chelsea Neighbors

Chelsea Neighbors is the Prevention Services Coordinator for East Alabama Mental Health Center. Her department works to reduce the stigma of mental health care as well as changing the environment to reduce acceptance and societal norms of underage drinking/drug use in Chambers, Lee, Russell, and Tallapoosa Counties. Prior to prevention, she worked on an intensive psychiatric unit for adults experiencing mental health crisis. She has her Bachelor's Degree from Troy University in Human Services and is currently working on her Master's in Social Work at Troy University-Phenix City. She is certified as an Associate Prevention Specialist as well as a certified instructor for Adult and Youth Mental Health First Aid USA.
