

## Dr. Jason Wright

Dr. Jason Wright is currently serving as the Director of Student Services for Lee County Schools (AL). He has served as a principal in both Lee County Schools and Auburn City Schools. As a twenty-one year educator, Jason has had the privilege to serve students in a variety of capacities. Dr. Wright helped to facilitate a one-to-one initiative at Auburn Junior High School during his tenure at that school. Additionally, he has been able to present and share experiences with audiences including National Blue Ribbon Schools of Excellence, National Association for Positive Behavior Support, Intel, Florida League of Middle Schools, among others. Dr. Wright holds a doctoral degree in instructional leadership from Valdosta State University.
